A wood shake roof has
a look like no other.

Presidential Shake TL Ultimate
is in a class all its own.

Here's a beautiful idea: Give your home the distinct look of a wood shake roof—the sculpted edges, the staggered lines, the depth, all of it—but with a far more durable, far better-performing luxury shingle: Presidential Shake TL Ultimate.

Here's what distinguishes Presidential Shake TL Ultimate:

True originality You're choosing an original, not an imitator. Presidential Shake shingles from CertainTeed were the first of their kind, and no other shingle replicates the look of real wood shakes quite so stunningly.

Triple-layer construction Built with three laminated layers of the industry's strongest materials, you'll get a shingle that's beyond thick. In fact, you'll have a level of durability that's unparalleled.

The look of wood (minus the worry)

Presidential Shake TL Ultimate costs a fraction of natural wood shakes, but the benefits don't end there. Unlike wood, it won't rot or decay, and it offers excellent wind and fire resistance. Plus, with StreakFighter,™ it will protect your roof from the streaking caused by airborne algae (available in most areas).

Presidential Shake TL Ultimate. Don't just choose it for the triple-layer durability, originality or even the cost advantages. Choose it because you're charmed by the idea of a roof that's truly beautiful.

Roofs are big. Color is important. Choose wisely.

1. **Think big**—View a full-sized shingle, not just a swatch or sample.
2. **Be real**—Look at actual houses where the house/roof color combinations are similar to what you're considering.
3. **Watch the light**—As you look, notice how colors appear under changing light conditions and at various times of day.

Integrity Roof System.™ Give your home the best protection.

WinterGuard™

Waterproofing underlayment prevents leaks caused by ice dams and wind-driven rain in vulnerable areas.

Roofers' Select™

High-performance underlayment is a secondary barrier against leaks for the entire roof.

Shingles and Accessories

High-quality shingles are covered by one of the best warranties in the business. Accessory products—starter course, and hip and ridge cap shingles—complete your roof from start to finish.

Ventilation

Proper attic ventilation improves air circulation.

Enjoy the extra confidence of SureStart™ protection

Your Presidential Shake TL Ultimate warranty is strong on its own. But, you also get the added confidence of SureStart protection. That simply means if any problem due to a manufacturing defect occurs within the first 10 years, call us. Upon inspection, we'll cover labor and material replacement costs at 100%.

- 4. **Consider the pitch**—Look for roofs with a similar pitch to your own. A roof's pitch affects the way you see its color.
- 5. **Ask your contractor**—They might be able to point you to a home where they've installed a roof of your style and color.

Add a little accent to your roof.

For an extra finishing touch, CertainTeed offers an added Presidential Accessory for capping hips and ridges. Available in colors to coordinate with your Presidential Shake TL Ultimate shingles.
