

# Bay & Bow

The tradition of quality and beauty continues with our Bay and Bow Windows. Our craftsmen take extra steps to ensure quality and attention to detail in each and every window Harvey builds. Insulated seat boards coupled with our state of the art glazing technology provide outstanding thermal performance.

Vinyl bay and bow windows combine traditional style with the convenience of maintenance free vinyl. Your design options are endless; double hung, casement and picture windows can be combined to your specifications. You choose color, grid options, glazing and roof style to give your home a distinctive accent. Finished off with an insulated oak or birch veneer head and seat board, your window will provide you with years of enjoyment.

## Custom Roof Systems

Top your bay or bow window off with a custom roof system from Harvey. Systems are supplied as a one-piece unit ready for installation. Choose from genuine copper, painted aluminum or structural roofs that are ready to be finished with asphalt or wood shingles. Painted aluminum color options include Coppertone, Patina, Bronze and White.

Roof finished with asphalt shingles

Genuine copper roof seasons to a soft green patina color

Painted aluminum roof maintains its original color
